Volleyball 2012

Yes, I'd like to help:

_____ **Sponsor one team (\$275)** – Your company logo* on the front of team jerseys, company name announced when game scores are broadcast on WGCL, and a sponsor plaque at the end of the season.

_____ **Sponsor two teams (\$500)** – All of the above applied to two teams, plus a link to your website from our website (if you choose).

_____ **Sponsor three teams (\$750)** – All of the above applied to three teams, plus a banner hung in the gym for a season (if you choose to provide one).

_____ **Sponsor the season (\$2500)** – Every jersey in the league will have your company logo* displayed. Also, your company name will be announced as, “Girls Inc. Volleyball 2012, sponsored by *your company*,” when game scores are broadcast on WGCL, and your logo* and sponsorship will be acknowledged on all written material pertaining to Girls Incorporated volleyball. Finally, you will receive a season sponsor plaque, and all trophies will display your company name or logo*. Over 150 girls will benefit from your support of our volleyball program.

_____ **Sponsor one team + *Sporting Chance*® (\$1200)** – For your program sponsorship, you will be sponsoring our national identity program, *Sporting Chance*®, for the spring semester that will allow our girls to develop motor skills, learn the fundamentals of various sports, and encourage communication and teamwork. Your company name and logo* will appear on program t-shirts for the year. Your support will be a highlight in one of our quarterly newsletters.

_____ **Sponsor a player (\$100)** – Our wish is for all girls to be able to participate in our volleyball league, but there are some who cannot afford the membership and sports fee. A \$100 donation will provide a girl with a membership for a year and entry into our volleyball league. Please consider making a donation to sponsor a girl today.

***PLEASE SEND YOUR HIGH RESOLUTION LOGO TO lberger@monroe.girls-inc.org by January 3, 2012 to ensure placement on the team t-shirt.**
