As fall winds down, we are getting ready to start another great volleyball season here at Girls Inc.! We strive to give all girls in Monroe County the opportunity to participate on a sports team, regardless of ability. We help girls develop basic fundamentals, good sportsmanship, individual worth, and experience team cooperation. Still, many girls sit on the sidelines, where they miss the chance to develop valuable skills and healthy habits. At Girls Inc. we work to get girls off the sidelines and onto the volleyball court, as well as work towards our mission to **inspire all girls to be strong, smart, and bold.**SM

As a nonprofit organization, Girls Inc. relies on your generosity to help us provide outstanding sports seasons. **I am writing to ask for your support of girls in our sports programming through a volleyball sponsorship.** In addition to providing positive opportunities for girls, your sponsorship offers a valuable marketing tool for your business. Choose from the following options:

- \$ 100 One player sponsorship
- \$ 275 One volleyball team sponsorship
- \$ 500 Two team sponsorships
- \$ 750 Three team sponsorships
- \$1,200 One volleyball team plus a *Sporting Chance*® sponsorship*
- \$2,500 Become a volleyball season sponsor

You will find more information about these giving opportunities on the enclosed form.

As the Director of Operations, I want to thank you for your continued support of our sports programs. I would be happy to discuss the 2012 volleyball season with you and can be contacted at (812) 336-7313 or lberger@monroe.girls-inc.org. Thank you again for your support!

Sincerely,

Lucy Berger
Director of Operations

*Stepping Stones™ and Bridges™, components of *Sporting Chance*®, are two of the programs offered during the After School Program to increase girls' interest and confidence in sports. I've enclosed additional information on the impact of these programs. Ensure girls participation in sports by sponsoring today!
